

CURVE BOWL BIG

Inspired by the arts and craft of ceramic, Curve Bowl emphasises the natural qualities and materiality of clay.

Characterized by an intentionally uneven shape and surface, Curve is a beautiful organic design with a handmade touch.

The voluminous shape and depth of the bowl, makes Curve ideal for many different storage purposes, and can also stand on it's own as a decorative vase or with dry flowers.

Curve Bowl comes in two sizes and is made from ceramic. The surface is hand glazed in order to achieve a unique surface texture. The colours may vary slightly, due to that it is a handmade product. The bowl is not 100% waterproof.
