

Wardrobes

Casio

The Casio wardrobe represents the perfect balance between soberness and modernity. The aluminium frame frames the glass door with sophistication, giving the entire wardrobe a contemporary and distinctive appearance.

THE LIGHTNESS AND ELEGANCE OF GLASS

The glass wardrobe represents the quintessence of elegance and lightness in furnishing. This classic opening solution becomes even more precious thanks to the reflections that glass gives the room. The transparency of the door gives an unexpected feeling of lightness and offers a seductive preview of its contents, even when the wardrobe is closed.

FABRIC EFFECT GLASS

The fabric effect on the glass gives the wardrobe an atmosphere of warmth and sophistication. The delicate weave and subtle patterns on the glass door add depth and texture to the surface.

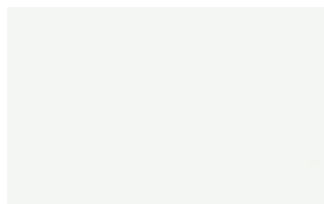

FINISHES
