# Hari

Upholstered double bed in fabric, leather or eco-leather to be customised in a wide range of finishes, selected by Dall'Agnese. The wide and soft headboard can be protagonist and emphasised as imposing with a base-container or made more slender by the feet.

## UPHOLSTERED DOUBLE BED WITH REMOVABLE COVER

The special feature of the Hari upholstered double bed is the ease with which it can be interpreted and customised. You can choose a quilted workmanship for the headboard, from the refined sartorial taste, and cover in various finishes of fabric, leather and eco-leather the smooth headboard and the bed frame with storage box, as well as decide the materials of the feet. Every Dall'Agnese bed can also be customised with the choice of night storage units. For example, would you prefer the linearity of the Slim Open night stands or the more structured taste of the Supernova nightstands? Which is your choice?

## BED WITH QUILTED HEADBOARD

The search for stylish detail and the taste for craftsmanship are also evident in the version of the Hari bed with a headboard enriched by a neat drop quilting. Given the workmanship, this variant is only available in fabric and eco-leather to guarantee removable covers.
